

**Are you interested? Expedition Challenge Camp 24-26 October 2009**

We're aiming to run an event to earn our **Expedition Challenge** badge and maybe a few others as well. The dates for the camp are **Saturday 24 – Monday 26 October 2009** which falls at the beginning of the October half term.

The camp format will be for the Scouts to:

- Walk on the Saturday from the 3HH HQ to the camp site about 8 miles away. They will carry a daypack with most of their personal gear being transported for them. The Scouts will be travelling in patrols along an agreed route and will be checked at regular intervals along the way.
- Spend the weekend honing their navigation skills, playing games and brushing up on various other scouting skills.
- Work in patrols to build and sleep out in bivvy shelters.
- Round off the weekend off with a return hike back to the 3HH HQ on the Monday.

Depending upon responses, I may have to restrict to the older or more experienced Scouts depending upon numbers - so we cannot guarantee everyone a slot.

The cost of this camp has not yet been finalised but is likely to be approx £30 all in including camping over on Saturday and Sunday nights.

If you're interested, please return the slip to me with payment. If you need any more details please an email to [simon.riggs@gmail.com](mailto:simon.riggs@gmail.com)

Regards Simon

.....  
is interested in the Expedition Challenge Camp to be held 24-26 October 2009

I enclose a cheque for £30 made payable to "3<sup>rd</sup> Hampton Hill Scout Group"

Signed .....

Date .....

Any surplus from this event will go towards group funds
