

## KISC News Letter 2

Essentials for the travel Insurance and programme planning...

- For all scout camps, the leaders have to complete a Nights Away Notification (NAN) form. This informs the authorities of how many scouts are away and where they are.
- For a trip abroad, the NAN form has to be in especially early. But unlike camps in the UK, it cannot be submitted without various consent forms and a copy of the travel insurance policy.
- Therefore, I am currently organising 3HH Kandersteg travel insurance, with the Scout Association company called, Unity; and need to have the full names of all participants, as the name appears on the passport.
  - Please see attached the **Health Form**.
  - Print and return to Wend at the hut, **by 31 January**.
  - Note that all details will be checked again closer to the leaving date.
- To assist my programme planning it is also useful to have an idea of the activities your scout is allowed to do.
  - Please see attached the **Activity Consent Form**.
  - Print and return to Wend at the hut, **by 31 January**.
  - Note that I have to complete all programme booking requests in February, else 3HH won't be doing what we want to be doing!

### Have you checked these yet...?

- Passport.** The expiry date must be at least 6 months later than our return date, i.e. later than 7 Feb 2012. Do you need to update the passport? If yes, do it **now**.
- European Health Insurance Card.** An [EHIC is free](#) and has replaced the E111. You can apply on-line, by phone or via the Post Office. Do you need to get one? If yes, do it **now**.
- Design a badge to wear on our 3HH scout uniform. Please bring in your ideas, addressed to Wend, by the end of January 2011, so we can have our badge approved and made in plenty of time.

For any queries, contact Wend on, [wendw@btinternet.com](mailto:wendw@btinternet.com), 020 8818 3031 (work) or 07708 868260 (eve).

As part of the trip cost, scouts will be provided with a custom uniform badge, t-shirt and a UK scarf embroidered with, '3HH KANDERSTEG 2011'.

Scouts love to swap badges and scarves. Kandersteg provides the ideal opportunity to do this, with so many international scouts.

Would you like to order additional unembroidered scarves to swap? I would recommend 2 or 3. They are £3.50 each.

My scout \_\_\_\_\_ would like \_\_\_\_\_ scarves to swap at KISC.

I enclose a cheque made payable to '3HH Scout Group' for £ \_\_\_\_\_  
Please mark the back of the cheque 'KISC Scarves'.
