

Night Hike 2011 Invitation Letter 19/20 March 2011

How do you fancy a nice stumble around in the dark navigating between bases where strange and exciting tasks have to be performed? You'll return to the campsite to grab a few hours much needed sleep and then enjoy a huge breakfast of bacon or sausage butties the next day before returning home again around lunchtime. If so, come and join us in the favourite event of the Scouting calendar: the "County Night Hike".

All Scouts are invited to apply for a place in the teams. Young and older, experienced or a little green, come and have a crack at this most exciting of events. There are twelve spaces available, if more apply we might ask for a third entry but they're unlikely to have spaces so selections may have to be made.

Due to pitching camp and start times we will be leaving early afternoon on Saturday, camping overnight and returning late Sunday morning. There will be a charge for this event of £15 per person, to cover entry fees, transport, supper and breakfast.

To make it fair to all, please can I ask you to either post the form, or put through it my front door in a sealed envelope, to save any confusion (please note my change of address below!). Please do not bring it along to the HQ. I will log all returns with the first 12 getting a place and any others being put on a reserve list. Confirmation, kit list and joining instructions will be emailed out once your forms and full payment is received.

In order to simplify the admin, can you please return all the required documentation in one envelope including: (1) application form, (2) 3HH health form, (3) scout county consent form, (4) payment

Cheques should be made payable to "3rd Hampton Hill Scout Group" and have your Scout's name + "Night Hike" on the reverse.

If you have any queries re the camp please call me on 020 8979 0329 (evenings), 07990 568736 (any time) or email me at simon.riggs@gmail.com.

Regards, Simon

3rd Hampton Hill Scouts • Scouts Night Hike 19/20 March 2011
