DON'T MISS IT

- **Many thanks** to those that have already completed the attached forms. For those that haven't...
- I'm organising 3HH Kandersteg travel insurance and need full names of all participants, as the name appears on the passport.
 - Please record the full name on the attached **Health Form**.
 - Note that all details will be checked again closer to the leaving date.
- To assist programme planning, I need an idea of the activities your scout is allowed to do.
 - See the attached **Activity Consent Form**.
 - Note that I have to complete all programme booking requests in February, **else** 3HH won't be doing what we want to be doing!
- Health and Activity Consent Forms to be printed and returned to Wend at the hut, via any scout section leader ~~by 31 January~~, by the extended date of **THIS WEEK**.
- Don't forget to order some **scarves** to swap. See previous newsletters for the form.
- Can your scout watch a **DVD** on the coach rated 12A? If you disapprove, please let me know, else it is understood acceptable.
- Many thanks to those who had a go at designing the uniform badge. All have inspired the final selection of 3 designs, currently under review with Rich.
- 3HH group polo shirt will be essential kit. Do you have one? If not orders will be put in soon, watch this space.

Please check...
